**\*47612.5(e)(1)** Notwithstanding any other provision of law, and as a condition of apportionment, “classroom-based instruction” in a charter school, for the purposes of this part, occurs only when charter school pupils are engaged in educational activities required of those pupils and are under the immediate supervision and control of an employee of the charter school who possesses a valid teaching certification in accordance with subdivision (1) of Section 47605. For purposes of calculating average daily attendance for classroom-based instruction apportionments, at least 80 percent of the instructional time offered by the charter school shall be at the schoolsite, and the charter school shall require the attendance of all pupils for whom a classroom-based apportionment is claimed at the schoolsite for at least 80 percent of the minimum instructional time required to be offered pursuant to paragraph (1) of subdivision (a) of Section 47612.5.

General Instructions

1. **Responsibility for Filing.** This form is to be completed by the county superintendent of schools for the purpose of claiming apportionment from the State School Fund for those schools and classes conducted by the county superintendent of schools' office.

The First Period report is to be prepared immediately after the last full school month ending on or before December 31, 2002 and is due not later than **January 15, 2003**. The Second Period report is to be prepared immediately after the last full school month ending on or before April 15, 2003 and is due not later than **May 1, 2003**. The Annual report is to be prepared immediately after the last full school month ending on or before June 30, 2003 and is due not later than **July 15, 2003**.

After the county superintendent of schools examines and approves the report, forward the original copy to the **California Department of Education, School Fiscal Services Division, Attention: Daphne Kelley, 1430 N Street, Suite 3800, Sacramento, CA 95814**. Retain one copy for the county files.

2. **Divisor for Computing Average Daily Attendance.** The average daily attendance is determined by dividing the days of attendance by:
- P-1: 70 for all attendance, **except** 85 for ROC/P and CalWORKS
  - P-2: 135 for all attendance
  - Annual: 175 for all attendance, **except** 180 for County Community Day School
3. **Pupils Residing Outside California.** Do not report the attendance of pupils residing outside California.

Certification

I hereby certify that, to the best of my knowledge and belief, this report is true and correct and that all attendance data have been compiled and reported in accordance with state and federal laws and regulations and the instructions for this report form.
